

REMARKS

While preparing to pay the issue fee in response to the Notice of Allowance mailed June 6, 2005, Applicants noticed an egregious typographical error that should be corrected to avoid confusion.

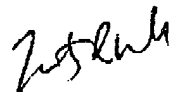

Claim 1 has been amended to correct the spelling of "overlay", which was misspelled as "overly".

Applicants submit that no new matter was introduced and that entering the amendment will not impose a significant administrative burden. It is clear from the specification as originally filed that the contact hole overlies a portion of the chamber as set forth in amended claim 1.

Please enter the amendment and permit the application to advance to Issue.

Respectfully Submitted,

Hongqiang Lu, et al.
